

# DHANISH ALI

## BIO

Hi, I'm Dhanish Ali. I'm a graphic designer born in Calicut, Kerala. I had finished a bachelor course in multimedia & Communication. I create graphic designs like photo manipulation, logo designing, Branding, publication designs - poster, brochure, magazines, flyers, menus, digital media designs - cover design, web design(beginner level coding ), illustrations, info-graphics, etc. And I'm also an intermediate-level Vfx and motion designer.

## EXPERIENCE

### CUPLE ST LLC

SENIOR MULTIMEDIA DESIGNER  
JULY 2021-CURRENT

In Cuple, I am responsible for the instore branding and social media content for the company. Additionally, I am responsible for taking care of online accounts such as Amazon, Noon, and 6th Street. Work such as opening third-party e-commerce accounts, creating listing files, uploading products, and updating the stock of products as needed.

### ROSHA TRADING

MARKETING & ECOMM. EXECUTIVE  
NOV 2018- FEB 2021

Handling events, mockups, and online accounts is my speciality. I list products online and fix errors through data corrections for Amazon, Noon, other 13 major ecommerce websites. Graphic design and branding include FSDUs, endcaps, gondola displays, walls, podiums, and windows. I also handle all social media for Rosha Toys. I created content with kid influencers from Dubai for Rosha Toys products. Now I have management-level skills to adapt to any type of multimedia and marketing task.

### CONNECTING DOTS

SENIOR GRAPHIC DESIGNER  
MARCH - OCTOBER 2018

I was working as a graphic designer. I handle all social media pages as well. Event-based posts, brand designs, signage, photo manipulation, Photography, Videography, Motion Graphics, and Video editing work. Also created promotional videos and photos for Social pages under connecting Dots, Airliness Restaurant, Malabar Junction Insta Cafe etc.
